Introduction	1
I.1 Historical trends in the use of export restrictions	1
I.2 The panoply of export restrictions on primary commodities in recent times	8
I.2.1 Agricultural export restrictions and food security concerns	11
I.2.2 Export restrictions on energy commodities between new and old concerns	22
I.2.3 Export restrictions on raw materials of mineral origin and the revival of industrial policies	28
I.3 ‘Critical’ minerals and metals and the debate over the use of export restrictions	31
I.4 Goals, method and structure of this study	34
PART I Minerals and metals critical to the world economy and the recent proliferation of export restrictions	39
1 Evolving world trade patterns in critical minerals and metals	41
1.1 Introduction	41
1.2 Defining mineral raw materials	41
1.2.1 A definition of raw materials	41

CONTENTS

1.2.2	Raw materials of mineral origin	44
1.2.3	A classification of minerals and metals	46
1.3	Identifying ‘critical’ minerals and metals	48
1.3.1	Demand and supply determinants for mineral raw materials	48
1.3.2	Specific factors of mineral criticality	51
1.3.3	A list of critical minerals and metals	54
1.4	Distinctive features of critical minerals and metals	56
1.5	Main patterns of international trade in critical minerals and metals	63
1.6	Conclusions	65
2	The landscape of export restrictions on critical minerals and metals	67
2.1	Introduction	67
2.2	A definition of export restrictions	67
2.3	The explosion of attention towards export restrictions	69
2.4	Recent trends in the use of export taxes	72
2.4.1	A definition of export taxes or duties	72
2.4.2	The proliferation of export duties or taxes	74
2.4.3	Export duties or taxes applied to critical mineral and metals	77
2.4.4	Other price or tax measures imposed on exportation	84
2.5	Recent trends in the use of QRs on exports	86
2.5.1	Export prohibitions or bans	86
2.5.2	Export quotas	89
2.5.3	Export licensing schemes or requirements	93
2.5.4	Minimum export prices and other types of export restrictions	96
2.6	Conclusions	98

CONTENTS

ix

- 3 Economic effects and policy goals of mineral export restraints 101
 - 3.1 Introduction 101
 - 3.2 The economic effects of export restrictions 102
 - 3.2.1 Effects predicted by theoretical economic models 103
 - 3.2.2 Changes in welfare and redistributive effects linked to export restrictions 105
 - 3.2.3 Sector-specific factors influencing the effects of export restrictions on minerals and metals 108
 - 3.3 Main policy goals of export restrictions in the minerals and metals sector 111
 - 3.3.1 Export restrictions as developmental tools 111
 - 3.3.2 Export restrictions as environmental tools 116
 - 3.3.3 Other policy objectives associated with export restrictions 118
 - 3.4 Empirical evidence on the effects of export restrictions on critical minerals and metals 119
 - 3.5 Conclusions 122
- PART II Existing WTO disciplines on export restrictions 125**
- 4 WTO disciplines on export duties 127
 - 4.1 Introduction 127
 - 4.2 Asymmetry in the WTO treatment of import and export tariffs: origins and rationale 128
 - 4.3 Export duties or taxes in the GATT 131
 - 4.3.1 Enforceability of export duty concessions included in GATT schedules 131
 - 4.3.2 Differences in the treatment of import and export duty concessions in the GATT 135
 - 4.3.3 Admissibility of export duties under Article XI:1 GATT 140
 - 4.3.4 Other GATT provisions applicable to export duties 143

CONTENTS

- 4.4 Export duty commitments in post-1994 accession protocols: the emergence of WTO-plus obligations 145
 - 4.4.1 An overview of export duty commitments assumed by newly acceded WTO Members 147
 - 4.4.2 Limited flexibility of WTO-plus obligations on export duties 161
- 4.5 Transparency and notification requirements applicable to export duties 163
- 4.6 Conclusions 165
- 5 WTO disciplines on export quantitative restrictions 169
 - 5.1 Introduction 169
 - 5.2 GATT rules on export quantitative restrictions 169
 - 5.2.1 The general elimination obligation under Article XI:1 GATT 169
 - 5.2.2 Other GATT provisions relevant to quantitative restrictions on exports 175
 - 5.3 GATT exceptions applicable to quantitative restrictions on exports 179
 - 5.3.1 The critical shortage of supply clause under Article XI:2(a) GATT 180
 - 5.3.2 Limited applicability of other Article XI-specific exceptions 184
 - 5.3.3 Non-availability of other GATT exceptions applicable to quantitative restrictions 185
 - 5.4 Transparency and notification requirements applicable to export quantitative restrictions 188
 - 5.5 Conclusions 190
- 6 GATT general exceptions relevant and applicable to WTO-inconsistent export restrictions 193
 - 6.1 Introduction 193
 - 6.2 Availability of Article XX GATT to WTO-plus obligations on export duties assumed under post-1994 accession protocols 194

xi

6.2.1	The existence of an ‘objective link’ as a precondition for the applicability of Article XX GATT to post-1994 accession protocol provisions	194
6.2.2	Implications for WTO Members assuming specific obligations on export duties under post-1994 accession protocols	202
6.2.3	Systemic imbalances produced by the Appellate Body’s approach in light of the fragmentation of WTO disciplines on export duties	204
6.3	The relevance of Article XX GATT to justify export restrictions in light of recent WTO case law	208
6.3.1	Article XX(b) GATT	209
6.3.2	Article XX(g) GATT	214
6.3.3	Industrial policy exceptions under Article XX GATT	221
6.3.4	The chapeau of Article XX GATT	223
6.4	Conclusions	225
	PART III Regulatory prospects	229
7	Understanding the multifaceted discourse on export restrictions in the WTO: a brief conceptual framework	231
7.1	Introduction	231
7.2	Access to supplies vs. development needs in the debate over export restrictions in the GATT era	232
7.3	Arguments in favour of export restrictions as developmental tools	234
7.3.1	The regained centrality of the principle of sovereignty over natural resources	235
7.3.2	Export restrictions as safeguard tools	241
7.3.3	Export restrictions as instruments to relieve commodity dependence and vulnerability to price volatility	243
7.4	Arguments against export restrictions as beggar-thy-neighbour instruments	245
7.4.1	Disruptions in global value chains caused by export restrictions	245
7.4.2	Subsidy-equivalent effects of export restrictions	247
7.4.3	Rent-seeking behaviours induced by export restrictions and absence of competition rules in the WTO	252
7.5	Conclusions	254
